My Dear Anne,

I think you will think
that Dresden was one of
the places you wd visit on
your journey north - If my
friend Mr Geo O Shattuck
of this City, sh^d. come across
you there, or you him, please
consider this an introduction
to him - He is a very es-
timable gentleman - learned
in the law. He is on a visit
to Europe with his family
for health & recreation -

He told me he would be
in Dresden this summer.
I told him I hoped he
would make himself known
to you, if he should meet you.
He said it was fine here
that pleasure to do so.
I am obliged to you for the
selection of Photographs &c.
I like them so well, we
would be glad to have another
batch - I will settle with
you for them when we meet.
If Gold - runs at 36 & 37
give down to 30 - I may
send you a starting

Bill - Harriet to have
not drawn lately & it is well
they have not - Gold has been
so high - Sarah tells
Lambert do not yet hit
upon a place to go to - but
will probably decide to go to
West Compton a vicinity -
The summer has been so enjoy-
able at Belmont that I have
not much inclination to go
away from it - I think we
shall stay at home - Anne
& I enjoyed our Southern
& Western Trip exceedingly -

Escaping as we did the bad
weather which prevailed
here on Mon & April 1
Miss Brittain & niece left
home on Wednesday last
but we have not seen them.

With love to Eddie &
my best wishes for your
enjoyment on your northern
journey. Love

Yrs Edward
